

UCL Course list 2022/2023

Department	Code	Title	Term	Link	PG Level 7	Mode of Study (as of 2021/22)	Number of UK Credits	Notes
Biochemical Engineering	BENG0042	Bio-microfluidics and Microsystems Engineering	1	https://www.ucl.ac.uk/module-catalogue/modules/bio-microfluidics-and-microsystems-engineering-BENG0042	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Biochemical Engineering	BENG0034	Integrated Downstream Processing	1	https://www.ucl.ac.uk/module-catalogue/modules/integrated-downstream-processing-BENG0034	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Biochemical Engineering	BENG0038	Bioprocess Systems Engineering	2	https://www.ucl.ac.uk/module-catalogue/modules/bioprocess-systems-engineering-BENG0038	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0023	Advanced Process Optimisation	1	https://www.ucl.ac.uk/module-catalogue/modules/advanced-process-optimisation-CENG0023	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0027	Molecular Thermodynamics	1	https://www.ucl.ac.uk/module-catalogue/modules/molecular-thermodynamics-CENG0027	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0029	Nature Inspired Chemical Engineering	1	https://www.ucl.ac.uk/module-catalogue/modules/nature-inspired-chemical-engineering-CENG0029	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0059	Renewable Energy in the Resources Sector	1	https://www.ucl.ac.uk/module-catalogue/modules/renewable-energy-in-the-resources-sector-CENG0059	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0030	Advanced Material Processes and Nanotechnology	2	https://www.ucl.ac.uk/module-catalogue/modules/advanced-materials-processes-and-nanotechnology-CENG0030	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0033	Advanced Separation Processes	2	https://www.ucl.ac.uk/module-catalogue/modules/advanced-separation-processes-CENG0033	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0028	Electrochemical Engineering and Power Systems	2	https://www.ucl.ac.uk/module-catalogue/modules/electrochemical-engineering-and-power-sources-CENG0028	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0026	Energy Systems and Sustainability	2	https://www.ucl.ac.uk/module-catalogue/modules/energy-systems-and-sustainability-CENG0026	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0024	Fluid-particle Systems	2	https://www.ucl.ac.uk/module-catalogue/modules/fluid-particle-systems-CENG0024	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Chemical Engineering	CENG0060	Integrated Hydrogeology and Sustainable Water Manag	2	https://www.ucl.ac.uk/module-catalogue/modules/integrated-hydrogeology-and-sustainable-water-manag-CENG0060	Yes	Blended	15	Both Term 1 & 2 modules all have their final assessments in Term 3, i.e. we cannot offer assessments at the end of Term 1.
Computer Science	COMP0178	Database Fundamentals	1	https://www.ucl.ac.uk/module-catalogue/modules/database-fundamentals-COMP0178	Yes	Blended	15	
Computer Science	COMP0024	Artificial Intelligence and Neural Computing	2	https://www.ucl.ac.uk/module-catalogue/modules/artificial-intelligence-and-neural-computing-COMP0024	Yes	Blended	15	The FHEQ level 7 delivery of this module is available only to students registered on MSc Computer Science (subject to pre-selection approval by the Module leader).
School of Management	MSIN0146	Financial Management	1	https://www.ucl.ac.uk/module-catalogue/modules/financial-management-MSIN0146	Yes	Blended	15	
School of Management	MSIN0053	Mastering Entrepreneurship	1	https://www.ucl.ac.uk/module-catalogue/modules/mastering-entrepreneurship-MSIN0053	Yes	Blended	15	
School of Management	MSIN0071	Decision and Risk Analysis	2	https://www.ucl.ac.uk/module-catalogue/modules/decision-and-risk-analysis-MSIN0071	Yes	Blended	15	
School of Management	MSIN0144	Entrepreneurship: Theory and Practice	2	https://www.ucl.ac.uk/module-catalogue/modules/entrepreneurship-theory-and-practice-MSIN0144	Yes	Blended	15	
School of Management	MSIN0047	Entrepreneurial Finance	1 or 2	https://www.ucl.ac.uk/module-catalogue/modules/entrepreneurial-finance-MSIN0047	Yes	Blended	15	
School of Management	MSIN0147	Strategic Project Management	1 or 2	https://www.ucl.ac.uk/module-catalogue/modules/strategic-project-management-MSIN0147	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0028	Policymaking	1	https://www.ucl.ac.uk/module-catalogue/modules/policy-making-STEP0028	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0026	Knowledge and Governance	1	https://www.ucl.ac.uk/module-catalogue/modules/knowledge-and-governance-STEP0026	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0029	Public Administration	1	https://www.ucl.ac.uk/module-catalogue/modules/public-administration-STEP0029	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0027	Evidence for Decision-making	1	https://www.ucl.ac.uk/module-catalogue/modules/evidence-for-decision-making-STEP0027	Yes	Blended	15	

UCL Department of Science, Technology, Engineering and Public Policy	STEP0030	Foundations in Digital Technology and Policy	1	https://www.ucl.ac.uk/module-catalogue/modules/foundations-in-digital-technologies-and-policy-STEP0030	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0012	Emerging Dilemmas in Digital Technology Policy	2	https://www.ucl.ac.uk/module-catalogue/modules/emerging-dilemmas-in-digital-technology-policy-STEP0012	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0025	Sustainable Infrastructures and Public Policy	2	https://www.ucl.ac.uk/module-catalogue/modules/sustainable-infrastructure-and-public-policy-STEP0025	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0006	Development, Technology, and Innovation Policy	2	https://www.ucl.ac.uk/module-catalogue/modules/development-technology-and-innovation-policy-STEP0006	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0009	Urban Innovation and Policy	2	https://www.ucl.ac.uk/module-catalogue/modules/urban-innovation-and-policy-STEP0009	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0034	Foundations in Science Engineering and Public Policy	1	https://www.ucl.ac.uk/module-catalogue/modules/foundations-in-science-engineering-and-public-policy-STEP0034	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0021	Risk Assessment and Governance	2	https://www.ucl.ac.uk/module-catalogue/modules/risk-assessment-and-governance-STEP0021	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0037	Gender and technology	2	https://www.ucl.ac.uk/module-catalogue/modules/gender-and-technology-STEP0037	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0004	Clean Energy and Development	2	https://www.ucl.ac.uk/module-catalogue/modules/clean-energy-and-development-STEP0004	Yes	Blended	15	
UCL Department of Science, Technology, Engineering and Public Policy	STEP0038	Health Technology and Innovation Policy	2	https://www.ucl.ac.uk/module-catalogue/modules/health-innovation-and-public-policy-STEP0038	Yes	Blended	15	
Mechanical Engineering	MECH0066	Ship Dynamics	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/ship-dynamics-MECH0066	Yes	Blended	30	No exams
Mechanical Engineering	MECH0067	Ship Structures	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/ship-structures-MECH0067	Yes	Blended	30	No exams
Mechanical Engineering	MECH0068	Ship Hydrodynamics	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/ship-hydrodynamics-MECH0068	Yes	Blended	30	No exams
Mechanical Engineering	MECH0051	Applied Thermodynamics and Turbomachinery	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/applied-thermodynamics-and-turbomachinery-MECH0051	Yes	Blended	15	Exams in T2
Mechanical Engineering	MECH0053	Power Transmission and Auxiliary Machinery Systems	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/power-transmission-and-auxiliary-machinery-systems-MECH0053	Yes	Blended	15	Exams in T2
Mechanical Engineering	MECH0055	Materials and Fatigue	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/materials-and-fatigue-MECH0055	Yes	Blended	15	Exams in T2
Mechanical Engineering	MECH0089	Control and Robotics	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/control-and-robotics-MECH0089	Yes	Blended	15	Exams in T2
Mechanical Engineering	MECH0090	Vibrations and Acoustics	1 & 2	https://www.ucl.ac.uk/module-catalogue/modules/vibrations-and-acoustics-MECH0090	Yes	Blended	15	Exams in T2
Mechanical Engineering	MECH0062	Electrical Machines and Power Electronic Drives	1	https://www.ucl.ac.uk/module-catalogue/modules/electrical-machines-and-power-electronic-drives-MECH0062	Yes	Blended	15	Exams in T1
Mechanical Engineering	MECH0032	New and Renewable Energy Systems	2	https://www.ucl.ac.uk/module-catalogue/modules/new-and-renewable-energy-systems-MECH0032	Yes	Blended	15	Exams in T2
Mechanical Engineering	MECH0071	Electrical Power Systems and Electrical Propulsion	2	https://www.ucl.ac.uk/module-catalogue/modules/electrical-power-systems-and-electrical-propulsion-MECH0071	Yes	Blended	15	Exams in T2
